This is why legal name joinder is so important and the first thing attempted to establish by a policy enforcer. The law does NOT apply to those using a legal name. The legal name is a corporate contract where you AGREE to waive ALL RIGHTS as a living being. However, as a natural man or woman indigenous to the land you are NOT bound by corporate policy unless you CONSENT to be under contract. Using a LEGAL NAME is that contract and the only consent needed for joinder
