

Wanna Stay Enslaved Forever?

How many of you actually REALIZE that by your compliance AND consent that you are perpetuating your own enslavement? OK sure, this control system was applied by stealth. However, it is plain and simple to now see - in this INFORMATION AGE that ignorance is NOT bliss, and that it IS a choice. So many complain about how bad things are. The taxes, the poverty, the homelessness, the wars, the "terrorism", the "economy"! Do you realize that by participating in the system and by consenting to pay (unlawful) taxes, that you ARE partially responsible for this mess? Those still steeped in FEAR of "I have to" and "There's nothing I can do about it" clearly do not have the courage to stand up and say what has to be said - "NO"!!!

What about saying "I can" ?? Sure, it takes a lot of courage for some to step out of the box of compliance. But you know - MANY resonate with the statement ~

"There is no authority on Earth that can rightfully govern your life."

People inherently know this - yet, they are afraid to actually take back responsibility and self authority. It takes a special being to feel the FEAR and do it anyway.

But remember. False Evidence Appearing Real is all it is. If a large number of all populations would simply stand the fuck up and say "NO" to outside authority, it (system authority) would crumble. It is only human energy that holds it up. Step away, let GO of supporting something that really does not exist unless you agree to it. Stop using its stuff and that is The LEGAL NAME and all the so called "ID".

Just say "STOP IT", move on into Free Forward Motion and don't look back. Then ~ there ain't no stoppin' us!!!!

Yep :)
